

KJP1UBEF

Patch panel 19 inches 1U 24 ports RJ45 Keystones

UNIK ✓

- ✓ Elegant and unique design
- ✓ Front automatic grounding
- ✓ Label holders for fast identification
- ✓ Integrated rear support bar

UNDERSTAND THE PURPOSE

This 19-inch patch panel is designed for optimal organization and installation, offering integrated label holders and a rear support bar. It houses 24 Keystone jacks, either shielded or unshielded, enabling versatile network configurations. Safety is prioritized through an automatic grounding feature, facilitated by a galvanized front plate that contacts the rack.

The panel's durability is ensured with high-quality materials, promising reliable service over time. Furthermore, user-friendly port identification is made possible with label holders and screen-printed numbers from 1 to 24.

DISCOVER THE STRUCTURE

Size : (L)482mm x (l)43.8mm x (P)90.5mm
