

KSPFK1U4RCEF

19-inch 1U perforated cable management panel with 4 rings

UNIK ✓

- ✓ Facilitates cable organization within the rack
- ✓ 65 mm deep rings for high-density patching
- ✓ Includes screws and cage nuts

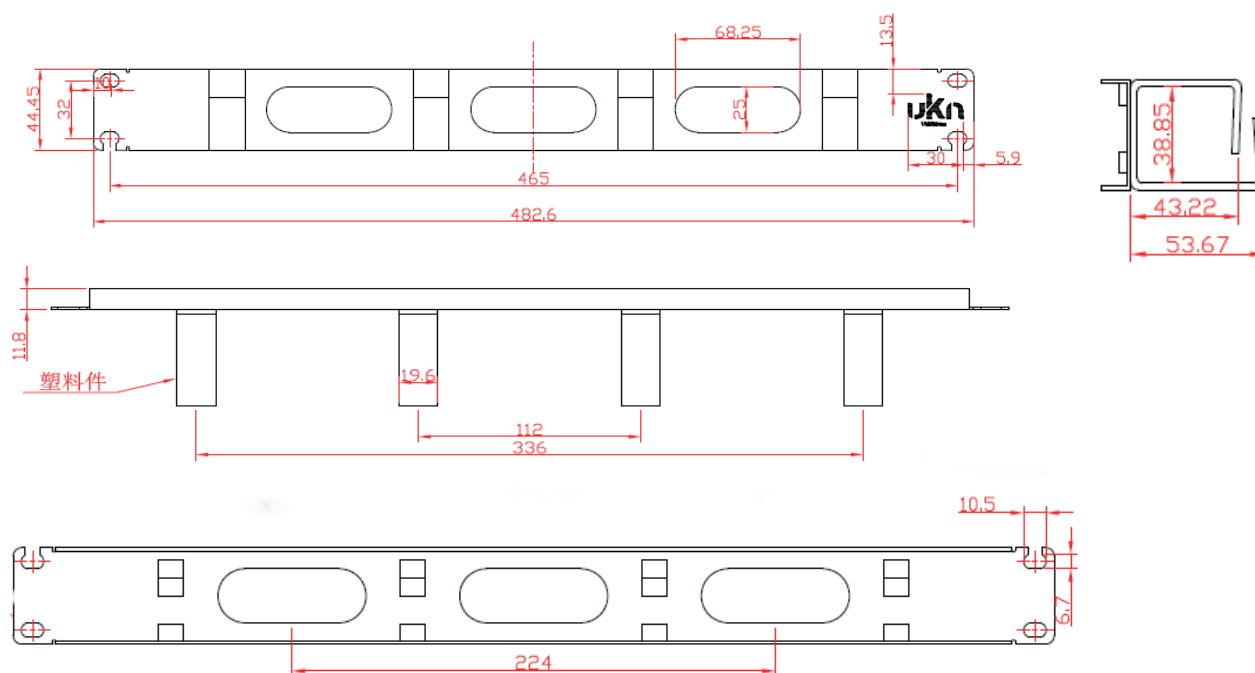

PURPOSE

The Unikkern panel enhances the organization of patch cords within the rack, thanks to its perforated base. Its design is elegant and functional. The cable management panels are designed to fit standard 19-inch racks and cabinets.

THE STRUCTURE
